LIONHEAD AREA
Lionhead Range
2/21/2020
Code
SS-AMu-R2-D2
Latitude
44.72920
Longitude
-111.32300
Notes

From IG message: "Was riding up lions head today. Was on the same channel as another group and a member of their group came over the radio and said that he had to roll his sled and it triggered/buried his sled. Didn't get much more info but he was very spooked over the radio. Looked hard on our way out and couldn't find the slide ."

Number of slides
1
