Code
Latitude
45.57770
Longitude
-110.95500
Notes

From email: "At 6450 feet on a north facing <u>aspect</u> on Little Mt. Ellis I found a snow depth of 75 cm. I dug a pit and got a Ct -7. Ect - 18, both failing on ground facets at 15-20 cm depth. I didn't see any slides, but I did feel and hear one whumpf on the way up."
