

## Wet Loose/Slabs in Beaver Creek, Taylor Fork

Taylor Fork  
Southern Madison  
1/31/2024  
Code  
WS  
Latitude  
45.06070  
Longitude  
-111.27200  
Notes

At the Taylor Fork wilderness boundary on an east-facing slope, we saw one natural wet [slab](#) avalanche and several smaller wet loose avalanches that likely happened yesterday during the warm sunny weather.
