

Two slides near top of lulu pass

Date

Fri, 02/23/2024 - 10:40

Activity

Snowmobiling

One slide seems to be natural.

just around the ridge, lookers right, a snowmobile triggered slide

rider in photo. Rider was carried downhill, not buried. Very very lucky

the two slide seem to have happened at the same time

Region

Cooke City

Location (from list)

Lulu Pass

Observer Name
