

Wind Slab and Wet Loose Activity in Cooke City

Date

Sun, 04/13/2025 - 17:50

Activity

Snowmobiling

I rode the motorized zone and noticed natural [wind slab](#) avalanches running pretty far on: East Henderson, SE Scotch Bonnet, East Miller, NE Crown Butte. D1.5-2.0

Loose wet debris from yesterday were also present in many places.

Region

Cooke City

Location (from list)

COOKE CITY

Observer Name

Jake Mundt
